THE WOODCARE EXPERTS SINCE 1912

Liberon's premium, professional and ever-evolving range of durable wood and surface finishes has provided a comprehensive woodcare offering to Britain's craftsmen since 1912.

Our robust and effective finishes continue to be at the forefront of innovation, delivering a range of woodcare with outstanding quality, providing superior results with long-lasting protection helping both the trade professional and domestic user to accomplish beautiful things.

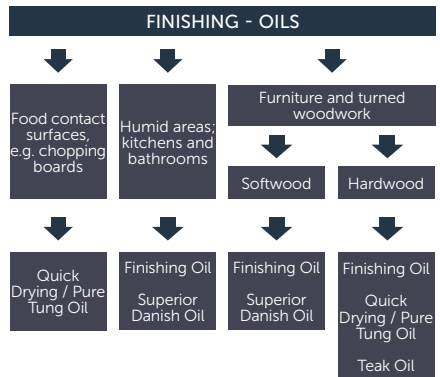

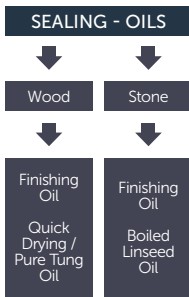

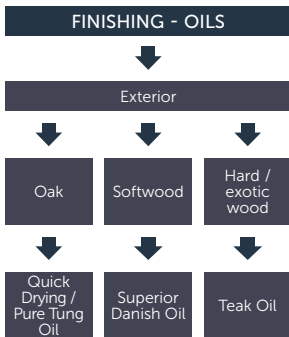

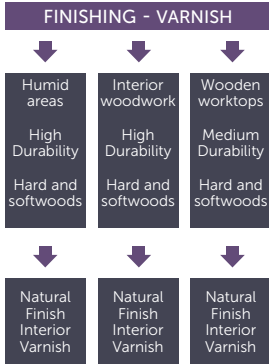

COLOURING - DYES

FINISHING - WAX

SELECTION GUIDES

WAXES

WAX POLISH BLACK BISON

Liberon Wax Polish Black Bison is ideal for nourishing and protecting all types of wooden furniture, including lacquers and French polishes.

- Contains carnauba wax with good resistance to finger and water marks
- Paste consistency makes it easy to apply
- Wax soaks into wood to feed, polish and prevent drying out
- Carnauba wax provides a highly lustrous and hard-wearing finish
- Darker wax colours help cover marks and scratches

Sizes	150ml 500ml 1L
Coverage	1L = 10-12m ²
Drying	20min

*Not all colours available in all sizes.

PALETTE WOOD DYE

The water-based **Liberon Palette Wood Dyes** are ideal for colouring all interior bare woodwork, whilst leaving the natural beauty of the grain visible.

- For use prior to oil, wax, varnish and French polish finishes
- Easily absorbed & quick drying, suitable for both soft and hardwood surfaces
- Formulation with light stability for excellent colour retention
- Colours can be mixed together to create unique shades, or mixed with Liberon Natural Finish Varnish enabling a single application

Sizes	250ml 500ml 5L
Coverage	500ml = 4-8m ²
Drying	2hr

SPIRIT WOOD DYE

Liberon Spirit Wood Dye is an ethanol-based dye suitable for use on new and reclaimed timbers and may be overcoated with wax, oil or varnish.

- Easily absorbed for colouring dense hardwoods e.g. oak, mahogany
- High penetration of solvents ideal for colouring previously finished woods
- Consistent formulation makes all colours intermixable

Sizes	250ml 1L
Coverage	1L = 14-16m ²
Drying	1hr

OILS

SUPERIOR DANISH OIL

Liberon Superior Danish Oil is a blend of **Pure Tung Oil** and natural oils which protect hard and soft woods. It brings out the natural grain of the timber and provides a satin to gloss sheen.

- Added UV filters help prevent discolouration
- Suitable for interior and exterior use
- Resin content protects against water, heat and alcohol

Sizes	Coverage	Drying
250ml 500ml 1L 2.5L 5L	1L = 10-12m ²	5hr

PURE TUNG OIL

Premium, pure and natural oil for woodcare. Providing a hard-wearing finish.

- Natural oil with no additives ideal for food contact surfaces
- Provides a long lasting matt finish
- 100% tung oil protects against water, heat and alcohol
- Very high water resistance suitable for interior and exterior use

Sizes	Coverage	Drying
250ml 500ml 1L 5L	1L = 8-10m ²	4 days

FINISHING OIL

Liberon Finishing Oil is a blend of high quality oils for use on all interior wood and turned woodwork. It is suitable for use on worktops, kitchen tables and bathroom furniture and can also be applied to cork, stone and terracotta.

- Contains oils and resins providing a hard-wearing heat and water resistant finish
- Nourishes and enhances

Sizes	Coverage	Drying
250ml 500ml 1L 5L	5L = 50-60m ²	6hr

STEEL WOOL

High quality Steel Wool for cleaning, preparing and maintaining wood and metal finishes. Crumble-resistant and virtually oil-free.
